

GAIN Membership

Guillain-Barré & Associated Inflammatory Neuropathies (GAIN) provides information and support to people in the UK and Ireland who have been affected by the neurological conditions GBS, CIDP and associated inflammatory neuropathies. Although membership is free, all voluntary donations go towards our charitable objectives, helping us to support patients and their families, raise awareness of the conditions and fund research into the causes and relief of these illnesses.

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year.
